

The power to do more

Go wireless.
Be efficient.
Stay versatile.

Dell™ All-in-One Wireless Inkjet Printers

Dell V525w and Dell V725w

Bring versatility and efficiency into your home with the Dell V725w and V525w All-in-One Wireless Inkjet Printers. With enhanced capabilities designed to give you more mobility and offer high speed performance, these printers provide outstanding value and help you simplify how you print at home.

4-in-1 versatility

Print, scan, copy or fax from one easy to use, space-saving device. Using the large 2.4" color LCD display, you can access the printer menus to print, scan, copy or fax – all without turning on your PC.

Smart efficiency

Save time with automatic two-sided printing and help maximize performance with handsfree scanning, copy and faxing via the Automatic Document Feeder. Dell V725w also features built-in networking and timesaving shortcuts to boost productivity.

Dynamic performance

Enjoy wireless printing with uncompromised performance; print wirelessly within your home network, directly from Android™ mobile devices via Dell Mobile Print, or from iOS mobile devices (iPad, iPhone and iPod touch) via AirPrint™*.

*To enjoy AirPrint support, please visit www.dell.com/support to download and upgrade your printer firmware. AirPrint-enabled printers work with iPad, iPhone (3GS or later), and iPod touch (3rd generation or later) running iOS 4.2 or later. iPad, iPhone, iPod, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. AirPrint and the AirPrint logo are trademarks of Apple Inc.
